## Urgent Notice of Upcoming Free Event in Your Area. FASTEST RESPONSE RESERVES YOUR VIP SEATING.

Dear <FName>,

If you don't think you can make money in today's Real Estate market, YOU ARE 100% WRONG!

If you think only the banks can make a profit, again, YOU ARE 100% WRONG!

If you think you can make huge profits in real estate, fill your bank account with cash...

and secure your financial future... well, now YOU ARE 100% RIGHT!

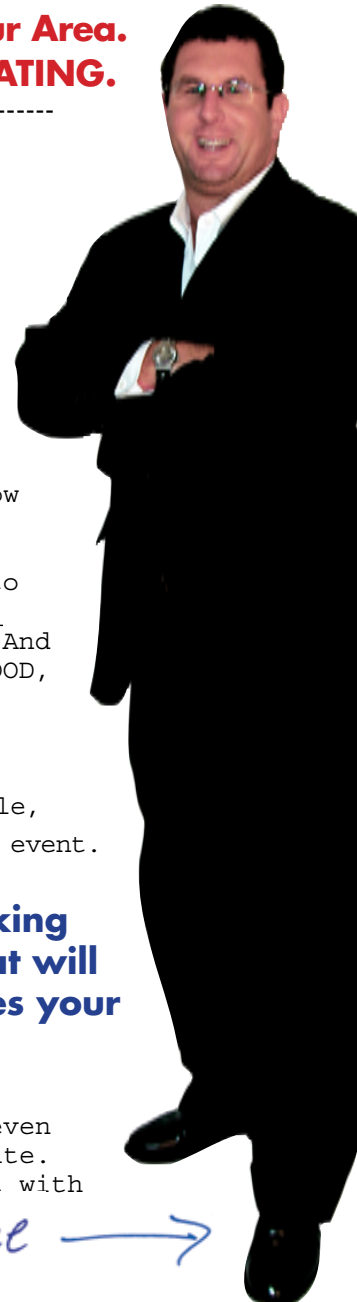

My name is Robert Shemin, and I am ready to show you, how you can make profits ... really big profits ... in today's tough Real Estate market. (And guess what? These secrets work in any market: GOOD, BAD OR FLAT!)

And <FName>, when I meet with you in person, I'm going to teach these secrets to you in my simple, exciting, informative and yes **FREE** wealth-training event.

**Forget about nickels and dimes, I'm talking about you making the kind of money that will make your dreams come true and changes your life forever!**

Remember <FName>, 99% of Americans don't even have a clue about how to make money in real estate. So when a tough market comes along, you are left with

1. *Please Continue* →

two (2) kinds of people... the kind that desperately needs money, or the kind who actually has it!

## People are either victims of the floundering Real estate market ... or collecting huge profits from it!

Less than 1% of the people in the USA know these secrets to wealth, and they take advantage of them every day to make huge profits.

And in case you think Verena W, the California woman who put \$10,000.00 profit in her pocket just one day after learning these secrets is a rare exception, take a look at this:

**Halle E., from Bismarck North Dakota says:  
"We make \$10,000.00 to \$20,000.00 minimum per property! And we do eight to 10 properties every month. You do the math!"**

Look <FName>, you don't have to be a genius to use my real estate secrets. In fact, my method is so simple, I've even shown an 11-year-old child, how to handle property focused on one thing: making profits!

I call my special **FREE** event "**The Unlimited Riches Workshop**" and at the very heart of this revolutionary new profit-making system is my new book "**Unlimited Riches - Making Your Fortune in Real Estate Investing.**"

*Yes, FREE!*

I used to be one of the 99% who hoped and prayed for more money. Sure, I made a few pennies... but I lost a whole lot more. Then I got smart... well smart enough. I did my research, years of it, and uncovered and finally "cracked the code". I discovered the closely-guarded secrets of the super-wealthy real estate moguls, and I haven't looked back since!

**For More Than 20 Years, I've Built My Fortune and Reputation As One Of America's Leading Real Estate Experts.** My goal was simple... help investors who consistently lose money, make money. And become part of the wealthy 1% of the richest people in the world!

### Unfortunately, This Program Is Not For Everyone.

I do not mail this letter to every American home, hoping for a response. If you received this letter ... this very special VIP invitation ... it is because I used advanced computer data, targeting systems to select out only those people who:

**1. Understand the potential for making a huge financial windfall... even in the toughest Real Estate Market and...**

*This is you, right?*

**2. Have a real desire to change their life ... and the life of their family ... forever!**

In a few minutes, I'm going to ask you to make a very special phone call (a free phone call) to confirm your reserved VIP seat at an upcoming training event in your area. It's vital

(I won't sell my book to anyone, but if you respond quickly, **I'll give you my book FREE!** I reserved this opportunity only for VIPs like you. See details below.)

### Here Are Just 4 of the 7 Top Secrets To Making A Bundle in a Tough Real Estate Market:
